ALEXANDRIA MARKET, Nov. 6.—The market today is a shade firmer, and receipts of grain have increased. There is no change to note in Flour. The offerings of Wheat amount to about 5000 bushels, which sold at 142 for choice, and 180-140 for red, and as to quality. Corn is in better receipt, and about 1000 bushels sold at 61 for old mixed, and 57 for yellow. A small lot of Rye brought 63, and 160 bushels of Oats 33.

BALTIMORE CATTLE MARKET, Nov. 5.—Beef Cattle—Prices to-day ranged as follows: Best Beef—5.00 to 5.75. Generally rated first quality—4.00 to 5.00. Medium or good fair quality—3.12 to 4.00. Ordinary thin Steers—2.50 to 3.00. Extra range of prices—2.50 to 5.75. Weight of the sales were from 1,200 to 2,400 lbs. Total receipts for the week 3896 head. Total sales for the week 3002 head.

The market has been slow this week, and prices about 2-3 off on most grades; some dealers thought it was that much on all, while others considered the decline greater than that on the middle and lower grades, of which the larger part of the offerings consisted. There were few good Cattle on the market, the best having been reshipped East without being offered here. We quote at 2.50-3.75 per 100 pounds, few sales at the latter figure.

Milk Cows.—The demand continues fairly active, and at unchanged figures, 30-40 per head at retail.

Sheep and Lambs.—Though there is a marked falling off in the number of receipts as compared with last week, the offerings have fairly supplied all demands, which have been fair. There is some improvement in the quality of the offerings, but not of a very marked character, except in the case of a lot sold at 25 cents. We quote butcher sheep at 14-15 cents per lb. gross. Sheep show at 12-13 cents per lb. head, and Lambs at 14-15 cents per lb. gross, but generally sold with old sheep. Receipts this week 3010 head.

Hogs.—There has been an increase in the receipts as compared with the very fair run of last week; notwithstanding which, and the unpropitious state of the weather, there has been a moderate demand at rates differing very little from those of last week. This has been on account of a speculative demand for the New York market. We quote at 6-13 cents, with a few choice at 7-15 per lb. net. Receipts this week 5659 head.
